Stoves

The Belgravia electric stove brings timeless elegance and cutting-edge flame technology together in one beautifully designed electric stove. Featuring Dimplex's patented Opti-V technology – the first and original virtual flame effect. Belgravia offers an ultra-realistic fire experience that rivals the look and feel of a real wood-burning stove, but with none of the mess, maintenance or emissions.

Behind its classic style and sleek finish, Belgravia also provides comforting warmth, thanks to an integrated fan heater delivering up to 2kW of heat. Prefer the ambience without the heat? The flame effect can be used independently, so you can enjoy a cosy glow all year round. Belgravia is quick to install – simply plug in and go. All functions are easily controlled using the remote or via manual controls hidden behind the stove's opening door.

- **Opti-V flame technology** - patented by Dimplex, Opti-V combines HD video, LED lighting, and the Pepper's Ghost illusion for an incredibly lifelike flame experience.
- **Authentic crackling sound** - enjoy the comforting atmosphere of a traditional fire with a realistic crackling log sound, complete with adjustable volume.
- **LED glowing log bed** - a beautifully crafted LED fuel bed with glowing log effect enhances the fire's authenticity and charm.
- **Effortless remote control** - take complete control of log brightness, heat output and sound with a convenient remote.
- **Freestanding flexibility** - designed to suit any space, Belgravia is perfect for traditional inglenook settings or as a freestanding feature.
- **Year-round ambience** - enjoy the flame effect with or without heat, creating a cosy atmosphere in any season.

Opti-V flame technology.
The first virtual flame technology on the market, patented by Dimplex

LCD screen.
Using an LCD screen in combination with pepper ghost effect, an energy efficient flame effect is created

2kW heat output.

Specifications

Technical Details	
Product Type	Stove
Flame Effect	Opti-V
Model/Range Name	Belgravia
Model Reference	BLG20
Model Number	500004498
Bar Code	5011139089540
Warranty	2 years
Heat Output	2kW
Wattage	2000W
Voltage	230-240V/50Hz
Thermostat	Y
Power Consumption (flame effect)	25W
Manual Control	Y - behind door

Technical Details	
Remote Control	Y
Batteries Included	1 x CR2025
Freestanding	Y
Lighting Module	LED
Opening Door	Y
Fuel Bed Supplied	LED Logs
Sound	Y
Kettle (IEC) Lead	N
Power Cord Length	1.5m
Unpacked Weight	31kg
Finish/colour	Anthracite
Flame Effect Only	Y
Safety Cut Out	Y
