

Luna

Experience Better Living

Insets

Effortlessly blending modern design with comforting warmth, the Luna inset electric fire transforms any room into a cosy retreat. Offering up to 2kW of heat, Luna brings year-round ambience. Available in a choice of elegant finishes - black nickel, brushed chrome, and neo gold, this model suits a wide range of interiors, from contemporary to classic. With multiple flame and lighting settings, all controlled via a sleek remote, you can easily create the perfect fireside mood.

Powered by Dimplex's Optiflame technology, Luna delivers captivating flames that can be enjoyed with or without heat, making it as versatile as it is stylish. The Luna is more than a fire, it's your effortless path to warmth, light, and timeless style.

Optiflame technology - enjoy the warm, mesmerising glow of Dimplex's trusted Optiflame effect delivering realistic, flickering flames that bring instant ambience to any space.

2kW Heat output - select from two heat settings for extra warmth when you need it or enjoy the realistic flame effect on its own, without any heat, for year-round ambience.

Optional spacer kit - an optional spacer kit allows for versatile installation, which enables the fire to be used freestanding against a wall or within a fire surround, even where inset depth is limited.

Remote control operation - effortlessly adjust flame effects, ambient lighting, and heat settings with the sleek remote control.

Multiple finish options - choose from black nickel, brushed chrome, or neo gold to complement both modern and traditional interiors.

Designed for every season - the Luna combines elegant design with practical comfort, offering the flexibility to enjoy its warm glow with or without heat.

Optiflame technology
A vibrant and realistic flame effect that adds depth and comfort to any space.

2kW heat output
Offering up to 2kW of heat via a fan heater.

LED lighting
Flames and lamps use energy-efficient LED lighting that requires no maintenance and can be used on flame effect only.

Fuel bed
Dancing flames rising over the realistic glowing log effect fuel bed.

Remote control
Controlling all functions of the fire.

Manual control
Can also be operated via the button display on the unit.

Thermostat
Maintains the desired room temperature by automatically switching on and off.

Flame effect only
Enjoy the ambience of the flickering flame effect any time without the heat.

Built-in timer
8 hour programmable timer.
