

Vivente Plus 75 | 100 | 150

Experience Better Living

Built-In

Vivente Plus 150 with Authentic Logs

Designed to transform any space, the Vivente Plus combines the beauty of real fire with the ease of electric - bringing warmth, atmosphere, and contemporary style into your home. At the heart of the Vivente Plus is our Optiflame effect, creating mesmerising flame visuals that capture the essence of a real fire. A lifelike ceramic log set comes as standard, while an optional authentic log set adds depth and a fireside glow that dances with the flames.

Available in three sizes - 75, 100, and 150 and with flexible installation options, you can tailor the Vivente to suit your space. With its captivating flame effect and contemporary design, the Vivente Plus brings ambience and style to any setting. A statement piece in any room, it draws the eye and elevates the space with the warm, welcoming presence of a beautifully crafted fire.

- **Optiflame effect** - our most advanced flame technology yet, producing a highly realistic and captivating flame experience.
- **ComfortSaver technology** - energy-efficient heating system that adapts to the room, delivering warmth while saving up to 11% in energy consumption.
- **SmartSense technology** - motion detection automatically switches the fire off when the room is unoccupied, helping to conserve energy.
- **Flame Connect app** - full control at your fingertips; adjust flame settings, heat, and lighting effects directly from your smartphone.
- **Optional authentic log set** - upgrade to a premium log set for added realism, depth, and a warm fireside glow that enhances the flame effect.
- **Flexible sizing & layout** - available in three sizes - 75, 100, or 150 with a choice of 1, 2, or 3-sided installations to suit any room design or feature wall.
